Contemporary Issues Impacting Youth: Trends, Challenges, and Community Responses

October 8, 2026 /Thursday / 9-11 am

Location: Cedar Crest College, Alumnae Hall

Vendor Tables. Countless Resources. One Great Event!

Connect with local organizations and discover valuable resources to support the youth and families you serve. **Don't miss it!**

This project is funded, in part, under a contract with the Pennsylvania Department of Drug and Alcohol Programs with Lehigh County Drug and Alcohol Division.

Join the Center for Humanistic Change (CHC) and our community partners for a panel discussion focused on contemporary issues impacting student health and well-being. Guided by Pennsylvania Youth Survey (PAYS) data, this diverse panel of community leaders will share their expertise and perspectives on current trends and discuss collaborative strategies to support a healthier future for our youth.

Our panelists: Gretchen Hill, Assistant Administrator, Drug and Alcohol Services at NC, Molly Stanton, Assistant Administrator, Drug and Alcohol Services at LC, Kristen Wenrich, Health Director, Bethlehem Health Bureau, Thespina Godshalk, School-Based Behavioral Health Administrator, Nikolas Tsamoutalidis, Supervisor for Student Support and Health Services, David Hauser, Principal, Saucon Valley Middle School, Kimberly Makoul, Chief Public Defender, Lehigh County Office of the Public Defender, Gavin P. Holihan, District Attorney LC, Moderator: Lisa Wolff, Manager of Community Engagement and all things drug related
